Dear parents,

We are excited that your son or daughter is considering taking part in our 10th annual Mexico mission trip to Tijuana on April 13-15, 2018. All Peoples Church Tijuana was planted in 2015 and it is such a joy to go serve and support them each year. Our hope is that you as parents are informed about our mission trips and we can answer any questions you have. Mission trips are a great opportunity for students to grow in faith, community, leadership, and character.

Safety is our number one priority. During the trip, we will be working with our All Peoples Church Tijuana staff team to ensure the safety and viability of all food, housing, transportation and ministry locations. Most importantly, we never let anyone travel alone. We will be taking buses to and from Tijuana, as well as using buses for all travel during our stay. Every student will be assigned to smaller ministry teams led by trained Lifegroup leaders who have been on previous trips to Tijuana.

My wife, Hannah, and I will be leading our college team. We are so excited to bring our three children on the trip with us and travel with the students every step of the way. Our pastors, Robert Herber and Kendall Laughlin, will be joining our trip as well. We will serve in orphanages, take part in service projects, put on outreaches, and share the love of Jesus with the city of Tijuana. We will have team times of equipping, worship, and lots of fun!

The cost of the trip is \$180. God has always provided financially for our trips in the past and we are expectant to see all of the funds come in once again. We believe God is going to use our team in mighty ways to see people encounter hope, light, and the power of Jesus. We look forward to sharing this weekend with your son or daughter! Please contact me with any concerns or questions.

Sincerely,

Jason Weatherred
