Worship

Psalm 103

You can **sing**, **dance**, **sit quietly**, **lift your hands**, or **kneel down** and spend some time praising God for who He is and everything He's done for us.

Repent

Acts 3:19

To repent means to **return to God** and **His ways**. Ask God if there is any sin in your heart to turn away from. Thank God for His forgiveness, and that we are able to always turn back to Him! (This might also include saying sorry to someone you've wronged).

Give Thanks

1 Thessalonians 5:18

Use your journal or sketchpad to write down or draw a picture **telling God thank you** for all the good things He has done for you, and for all the awesome things you love about Him!

Pray

Mark 11:24

Praying means talking with God. You can spend some time telling Jesus how you feel (whether you are **happy**, **sad**, **angry**, **frustrated**, **excited**...Jesus loves when we come to Him with all of our feelings!). Ask God to show His love to your **family**, **friends**, and **people from around the world**.

Read

Hebrews 4:12

Ask the Holy Spirit to teach you as you read God's word- **the Bible!** *Don't know where to read? Try reading in the book of John, or Psalms to get started.*

Listen

John 10:27

Use your journal or sketchpad to write down or draw anything you think God is saying to you today. It could be something He is saying to you, an encouraging word for a friend or family member, or something to pray for your family or school.

Share

Matthew 28:18-20

Ask Jesus if there is anyone in your life you can share the gospel with this week! You can also write a family member or a friend an encouraging note to help share His **love!**
