

Thank you for your interest in being a part of a Lifegroup! Each of our Lifegroups is leader-facilitated, but everyone is invited to participate. During this current season of covid, each group has its own style and flow. Pre-covid, you could expect each week to start with a time of dinner and fellowship followed by worship, biblically-based teaching, and discussion about how we can relate it to our lives. During this current season, each group will look different and is free to get creative with meetings as they see fit. Many are meeting up in parks and doing a time of fellowship and then bible discussion and prayer. Please look through the list of Lifegroups and reach out to the one that best suits your stage of life and in your part of town. Please email each Lifegroup directly for more information, to join their group and get connected.
